STANDARD TARIFF OF CHARGES (STC)

Introduction

This Manual contains details of standard charges that the Bank wishes to apply for the services it provides.

Alterations to the tariff may be made only under the signature of Chief Executive Officer or his alternate on his absence.

Business Unit Heads may grant concessions / waiver upon the application of Relationship Managers and/or Branch Managers. Such concession / waivers need not be taken if the same have already been approved through a credit Memorandum.

Any branch specific deviation that is required due to the local competition or due to the local business needs shall be approved by Chief Executive Officer.

It is expected that such concession/waivers will be used sparingly. Such concession deviations shall be approved through an application, the format of which is enclosed (see Section 12).

It should be noted here that all communication/postage/courier expenses related to a customer transaction, even when these charges are not mentioned in the related sections of STC, are to be recovered from customer as per section 6 of STC.

Amendments to this document will be issued in form of a complete page and will be notified through a Country Circular. All holders of this document should then replace the amended page of STC under their possession with the new page.

This Manual is the property of NIC ASIA Bank Limited and must not be removed from its offices and the contents must not be made available in any form to any unauthorized person or persons without the prior approval of the Chief Executive Officer.
